SUBJECT: School Presentations – January 2023

PURPOSE:

For approval. Motion required.

RECOMMENDED MOTION:

- a) That the Board of Trustees approve the draft schedule for School Presentations to the Board as presented at the November 23, 2022, Public Board meeting.

BACKGROUND:

Student learning and achievement are foundational to the work of a school division. Achieving success for all students is dependent on common agreement and understanding around shared responsibility and transparency. To this end, it would benefit the Board of Trustees and school leadership to be provided the opportunity to enter into conversations relative to student achievement, success, and programming.

Administration is recommending a presentation schedule for January 2023; a proposed schedule is attached.

Administration is prepared to respond to questions at the November 23, 2022, Public Board meeting.
