

High School Dual Credit Award Criteria

This award of \$250 is awarded to one student each from Sturgeon Composite High School, Redwater School, and Sturgeon Learning Centre/Morinville Learning Centre. This award is offered as an incentive to students who choose to enroll in Dual Credit course to obtain advanced credit prior to entering post secondary

Eligibility:

1. Students in high school who are enrolled in a Dual Credit course.

Criteria:

1. Obtains the highest mark among all Dual Credit Courses
2. In addition to achieving the highest mark, the student must also demonstrate exemplary work habits and have an interest in pursuing further training beyond high school. The recipients of this award must have completed course requirements within the given time frame as assigned by the post secondary institution.

Recipients of this award will be determined at each school, and presented at their respective awards ceremonies on an annual basis.
